The Friendly Senior Citizens met at the church vestry, Wednesday, Feb. 6, with 30 members present and one guest. A lovely pot luck dinner was served by the East Stoneham ladies, the tables set in a Valentine theme.

The meeting was opened by the vice president, Gene Maillet in the absence of the president, Theresa Proctor. The flag salute and a moment of prayer was held in memory of a departed member, Dorothy Doughty. The minutes of the last meeting were read by secretary Edith Holt who also read the treasurer's report in the absence of Pamela DeTour.

Marilyn Curtis was thanked for the lovely cake she made to celebrate all birthdays in January and February. She volunteered to make one for the March 5 meeting, too.

The North Waterford Ladies will be hostesses for next meeting and everyone is to wear something green or pay a 25 cent penalty. The committee for March is Edith Holt, Lill Herrick, Helen Jewell and Jo Sanderson. It was voted to have the South Paris Senior Citizens band as guest entertainers for that meeting.

Upton

Mrs. Arline Bernier, Corres.

A round about complaint regarding the lack of Upton news brings this explanation. When I was on the main drag I got much news through observation from my picture windows, supplemented by what I gleaned via telephone. Not past my windows and I considered whitening out a collection box for the rather large costs of telephone installation, when I remembered how much time and tranquility Ma Bell destroys and decided to whitening for shavings.

I still pick up news but much of it is too good to print. Some is rumors and much concerns the many people who do not want their names in print.

Many vehicles are driving on the lake. In spite of the continued cold the brooks and channels keep a dangerous element in this activity.

One vehicle broke through the ice near the Red Spot cove Sunday.

Cedric, Nikki, Sonya, Michelle and Sean Abbott of Buckfield, called at Heritage Farm Sunday.

Cedric is getting around fine for one who suffered an airplane crash recently.

The Andre Bernier family of Locke Mills spent Saturday here.

Andre helped his father with some of his equipment problems.

Mrs. Chapman of Bethel cancelled the meeting scheduled for folks who want assistance through the Federal Energy Program.

The weather bureau predicted 70% chance of flurries and there's enough to wipe off the car windows although it wouldn't be necessary.

Most of my plants went to a sifter last summer but she neglected to set them inside come frost and many of the scraps left suffered fatally from neglect when we moved. Hungry for some growing goodies, we made a box for starting seed, lined with long form letters from Washington for a good dressing for this mini-garden.

The ice at the foot of Dweller Hill is as much as a foot thick.

The road crew applies sand and salt as the best solution to this unusual problem, which results in holes and cross ruts. It makes for a short thrill ride like some at a county fair.

Snow is beautiful.

North East Lovell

Pauline Smith, Corres.

Mr. and Mrs. Harry Belaska and friends were at their home this week end.

Mr. and Mrs. Arthur Weeks were here for a weeks vacation.

Nice service at United Church of Christ Sunday with a good choir and sermon. Several extra guests.

Iva Fox was in Portland this week with her daughter, Rose Mary Smith.

Hazel Allen had the doctor Friday. Hope Hazel is better soon.

Sue Millett and Chris called on the Weeks and Smiths Sunday.

Greenwood City

Mrs. Colista Morgan, Corres.

A full week into February and still the land is bare. The most common remark, "Did you ever see a winter like this one?"

Today started as most of them have here. In came the goldfinches first, to get their thistle seeds. Then the nuthatches and woodpeckers start their usual morning on suet. We drink our coffee and eat our breakfast facing the feeders. Out of the sky drop the evening grosbeaks. What a lot of them! Suddenly action really starts! The red squirrel has arrived. He tears into the flock of grosbeaks. They fly up to the branches of our small tree by the house. Squirrel races up the tree, going from one branch to another to drive. Some have perched on top of the feeder. Those must not stay. Down to the ground again, now, for the birds are eating. Busy, busy every minute, no time to eat. It is all very amusing and happens nearly every morning.

Lovely days most of the week. I have walked a couple of miles almost every day.

One day I crossed the pond, went to the swamp, up the Sanborn River where the trees nodded and I could hear the river gently flowing near the rapids. I crossed over, climbed the bank and started toward Owl Valley. In the distance to my right a tractor was at work; straight ahead I heard a chain saw so turned left. The leaves rustled beneath my feet. Could it be November? It was cool and shadowy. Ice Brooks were here and there.

A surprise greeted me. A tractor road was running near to the Sanborn and most down to the edge of the pond. Trees were down.

I went on to the river and followed it in a beaten path made by many feet. It was a different world here. This quiet river was like an oasis in the desert. All seemed unusual and refreshing, cool and still.

In various places the trappers

had been at work to get beaver. I could see where rabbits and mice had left trails in the bit of snow on the river.

I followed the path as it wound through the bushes, meadows, trees, and eventually out to the pond.

The sun was still bright putting golden outlines on everything. It was so warm and springy that I found myself listening for the red-wing-black-bird at the mouth of the river near its nest, still in a bush there at my left.

I have been to the ledges and three times up to the farm fields to Noyes Mountain. I took pictures for it is unbelievable to know it's February, yet to see everything as in the fall.

When I came back by the apple tree there was my friend, the partridge, eating his fruit. When he left this time he was very silent in his flight.

All about was so beautiful cradled in this valley and touched by the warm breeze. As I descend the hill, I stopped to gaze in wonder and time almost stood still. But only a few short minutes this splendor was mine to see, but I've tucked it away some where back in my memory.

Phil Bentley, Auburn, was a caller at the home of Frank Curtis one day this week. Donald and Mildred Bowman were also callers.

We were in Bethel on Friday and called on Mr. and Mrs. Ernest Mundt.

On Saturday we visited Mr. and Mrs. Norton Emmons in Woodstock.

Mr. and Mrs. Russell Brennan were at their cottage here over the week end from Seekonk, Mass.

Rex Felton was home from Ledgewood over the week end.

At the Hayes Homestead some

of the family were home; Del and Betty, Auburn; Duane and Avis, and four children, West Paris.

Newry

— Miss Amy Hanscom, Corres. —

The Selectmen have received the Annual Town Reports from the printer. Bear River citizens may receive a copy by calling on Town Clerk, June Swan, on Sunday River copies may be obtained from Selectman Stephen Wight. The warrant for the Annual Town Meeting, which will be held at the Bear River Grange Hall, March 3, at 7 p. m., contains 42 articles, most of them routine. The proposed Selectmen's budget for all accounts except Schools totals \$38,572.74, compared to \$31,614.44. Due to increased costs of asphalt and labor, the Tarring Roads account is up to \$8,500, from \$6,000 in 1978. There is also an increase in the Officer's Salaries and Miscellaneous Expense account. The Town of Bethel is asking for increases for use of the Sanitary landfill and Ambulance Service. Several other accounts show some increase, and an increase is expected in the County Tax. The proposed school budget, at this time, means an overall increase of 8.9% over last year. However, due to increased State Valuation, Newry's share would be up 21%. Since the town operates on a calendar year and the schools on a July 1 - June 30 FY, one half of this cost would be reflected in this year's taxes.

In 1979 .678 of every tax dollar went for education, .155 for highways, .072 for Officers' Salaries and Miscellaneous Expenses, .045 for County Tax and .05 for all other. Total receipts for the year, including the year end cash balance were \$196,152.01, with \$189,421.21 paid out in Selectmen's warrants, leaving a balance of \$6,730.80. An additional \$46,655.16 invested in savings accounts. From a tax commitment of \$93,538.01, a total of \$8,296.02 remained unpaid Dec. 31. Of this amount \$4,039.76 was resident and \$4,256.26 non resident. Tax Liens will be placed on

these properties sometime between April 11 and June 22, if the taxes are not paid. During the year \$685.57 in tax liens were paid, with \$2,741.51 remaining unpaid. There were no overdrafts in any account. All accounts either balanced off, or showed an unexpended balance, which will be carried forward to 1980. These unexpended balances totaled \$31,850.61. Total resources, cash balance, accounts receivable and savings accounts as of Dec. 31, were \$64,188.58, with liabilities of \$991.19. This represents the Ministerial and School Fund Note, with interest due on same.

Roger E. Hanscom has announced that he would be a candidate for reelection to the board of Selectmen-Assessors at the March Town Meeting. Hanscom said that while he would not refuse to serve as first Selectman-Assessor he would prefer to serve as second or third, and have one of the other incumbent Selectmen take over the duties of first. He has served as Selectman-Assessor since March 1951, and chairman of the board since December 1955, following the death of Chairman Lon E. Wight. While serving in that position, he has kept the books, and for the most part, prepared and typed up the Selectmen-Assessors section of the Annual Report for the printer, subject to the approval of the other two board members. He has worked as a woodsman, woods cook and farmer, and worked several years for the State Highway Commission, now the State D. O. T., before his retirement in 1954. He said he would like to have one of the present Selectmen, Willard A. Wight or Stephen W. Wight, take over the duties of chairman this year. It is expected that both Willard and Stephen Wight, Town Clerk and Treasurer June A. Swan, and Tax Collector Mary B. Tripp, will seek reelection, although none have made a formal announcement at this time. There are no controversial arti-

cles in the warrant for the annual Town Meeting, which will be held at the Grange Hall March 3, at 7 p. m., although it is expected there will be some discussion on the budget. It is expected that there might be an additional increase in the budget to cover attorney's fees and court costs in the Bethel Water District Tax case. The Selectmen have received a letter from Geoffrey Houle, attorney for the Water District. Apparently the District is basing their claim for tax exemption on a provision in their charter, which reads in part: The property of the district shall be exempt in the Town of Bethel, and in any other Town where any part of its plant may be located. The Selectmen, however, feel that this provision does not apply, since they feel that there is no part of the plant in Newry. Apparently the Water District believes that the land and brook are part of the plant, but the Selectmen question this. There is a possibility that this will develop into a court case. In that event, the Selectmen also intend to bring up the question as to whether or not the land qualifies for Tree Growth status. If not, this would make a substantial increase in the District tax. The tax in 1979 was \$701.90. Without Tree Growth it would be approximately three times that figure.

Philip R. Korhonen has announced that he will be a candidate for Road Commissioner at the Annual Town Meeting to be held at the Bear River Grange Hall on March 3. Korhonen was appointed by the Selectmen to that position last October, following the resignation of James Duran. In the winter of 1970, Korhonen completed the term of Roy Bennett as Road Commissioner, then served another three years. He had previously worked for the State Department of Transportation, and for several years was self-employed as a contractor doing trucking and exca-

ving. He is presently engaged in lumbering. Mrs. Susan Bowie and children of Augusta visited her parents, Mr. and Mrs. Owen Wight, the first of the week. Miss Carol Hayner, Hamden, Conn., spent the week end with relatives here. Mr. and Mrs. Verne Glover, Buxton, were at their camp during the week end.

OXFORD POMONA MET AT WATERFORD FEB. 5

Oxford Pomona #2 met with Bear Mountain Grange at South Waterford, Feb. 5, for a buffet supper, being served by the host Grange.

There were about 60 members present. The Androscooggin Pomona Master and wife, Mr. and Mrs. George Putnam of Turner and Noyes Mitchell, the Honor Lecturer of State of Maine, were present. Three members from Naples were also guests.

An attendance contest was started with Margery Coleman carrying it out. Maxine Roark was the first lucky winner.

The program was on Legislation with Hugh Roark, chairman of that committee taking over the program after Gail Butterfield, Lecturer, opened the program with a song and address of welcome by Master Brown of Bear Mountain Grange, which was responded to by Olive Davis. Brother Roark then introduced Richard Sutton, Senator of Maine, who told them about some of the bills being taken up in Augusta. An answer period was next by those who were interested. He emphasized that the Governor wasn't going to raise taxes but was creating new jobs? How come? Many provocative questions were raised by some.

They closed with a song and closing thought by the Lecturer. Carl Brooks read an article on agriculture.

The next meeting will be March 4, at South Paris, guest officers night. The program will be on agriculture.

After the program the Scholarship awards of \$100 apiece were presented by the chairman of that committee, Olive Davis, to Maxine Roark and John Apple as representatives of Gail Kimball, North Waterford, who is attending U. of M., Orono, and unable to be present. Robert Saunders' scholarship was presented to a member of the Ed committee, John Apple, who will deliver it to him later. He is attending Culinary School in Providence, R. I.

Mr. and Mrs. Peter Howard and children visited their grandmother, Eula Trimback, Sunday, in North Waterford.

Miss Jana Mason celebrated her first birthday Feb. 8 at her home in Gilead, beautifully decorated with streamers and balloons with a beautiful birthday cake and ice cream. Besides her parents, Mr. and Mrs. Scott Mason and brother, Scott, those attending included: her grandparents, Mr. and Mrs. Robert Mills, Bryant Pond; her uncles, Scott Mills and David Mills, Bryant Pond; her grandmother, Ruth Mason, and Carole and Melinda, of Northwest Bethel; Jennifer and Chuckie Mason; Mrs. Cindy and Harmony Mills, West Bethel; Bonnie and Kevin Marshall, Albany; Kelly and Mark Cole, Kathy Tyler, and her great aunt, Helen Smith, Bethel. Jana received many nice gifts.

Any wonder the Olympics are in trouble? The whole Middle East is surging in agony—the world embroiled in greed and fear. "As a woman in travail," Ps 48: 6.

Yes, all the world passing in review before God's eyes—stumbling and lashing out in anger—voices raised in frustration—even shaking fists at God—who responds: "For thou hast trusted in thine own wickedness; thou hast said, none seeth me. Thy wisdom and knowledge, it hath perverted thee; and thou hast said in thine heart, I am, and none shall eside come upon thee."—Isaiah 47: 10, 11.

Yet, God loves us, telling us in Isaiah 46: 8, 9: "Remember this, and show yourselves men, bring it to mind, O you transgressors. Remember the former things of old; for I am God and there is none like me; I am God and there is none like me." "Hearken unto me, ye stubborn in heart, that are far from righteousness."

How often God reminds, that He is Lord! Let us then take heed. "Wherefore, seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and sin which doth so easily beset us, and let us run with patience the race that is set before us, looking unto Jesus, the Author and finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame, and is set down at the right hand of the throne of God." Heb. 12: 1.

WALKING WITH JESUS CHRIST

The Isle of Patmos of Greece, known by Christians as the place of seclusion—a jail—for St. John—where in A. D. 95, he was inspired by God to write the Book of Revelation "of things to come—for the time is at hand."

Isn't it strange—for it was also here—that ancient Greece instituted the festivals—known as the "Olympics"—on the plain of Elis—contests of skill, excellence in strength, wisdom and health as a worship to the god Zeus—and the gods of heaven and sky—gods residing on the slopes of Mt. Olympus.

Our Lord and God says in His Word—"I am the Lord, and there is none else, there is no God beside Me." "I form the light and create darkness; I make peace, and create evil; I the Lord do all these things." "Woe unto him that striveth with his maker." Isaiah 45: 5, 7, 9.

Any wonder the Olympics are in trouble? The whole Middle East is surging in agony—the world embroiled in greed and fear. "As a woman in travail," Ps 48: 6.

Yes, all the world passing in review before God's eyes—stumbling and lashing out in anger—voices raised in frustration—even shaking fists at God—who responds: "For thou hast trusted in thine own wickedness; thou hast said, none seeth me. ANDOVER ALUMNI ASSOC. PLANS FOR JUNE 7

The five officers of the Andover Alumni Association met at the home of Violet Swain last week to draw up plans for the June 7 banquet and ball.

The mothers of the Girl Scouts will prepare the banquet, assisted in decorating and serving by the 24 Scouts. The social hour will begin at 5:15 to 6:15 in the upper hall of the Town Hall with the banquet beginning at 6:30. Betsy (Hutchins) Belanger was appointed chairperson for the decorating of the upper hall.

Alumni cards will not be sent to alumni living in town. All Andover seniors will be guests at the banquet. Parents of the seniors may attend but complimentary tickets will not be issued to them.

Graduates in the 1940 class will be honored. Those graduates were Constance Thomas (Wass), Howard Averill, Edith Cutting (Nogine), and Wendall Sweet.

The 1955 graduates were Helen Lang (Deanis), Judith Doyen (Hall), Gerald Deans, Clinton Littlehale and Lorenzo Miller Jr.

All those prior to 1930 will be welcome at the banquet and other activities. Records show that alumni date back to 1900.

Officers attending the meeting were: President, Darline Tucker Hall, 1961; vice president, Betsy Hutchins Belanger, 1964; recording secretary, Violet P. Swain; corresponding secretary, Roberta Thurston Learned, 1932; treasurer, Minnie Pawe Akers, 1938.

BEST EARTH SCIENCE ESSAY BY OXFORD COUNTY STUDENT WILL WIN \$200 SCHOLARSHIP

For the best essay on the subject, "Earth Science in the 80's, the most Important Goal," the Oxford County Mineral and Gem Association (OMGA) will award a \$200 scholarship to a deserving boy or girl.

The applicant must be a high school senior or equivalent in Oxford County, must be in need of help and must (before the prize is paid) be accepted in a school of higher education.

Essays will be judged by an impartial panel appointed by OCMGA's President, whose decision will be final. All entries become the property of OCMGA with full rights of reproduction or publication. No entries will be returned unless withdrawn from competition before the closing date.

Contestants should be specific in identifying what appears to them to be the most important goal of earth science in the 80's and should explain what they believe should be done to attain that goal.

The judges will look for evidence of original ideas, clearly and logically expressed.

Entries should be mailed to: Donald B. Eddy, OCMGA Scholarship Chairman, Bethel, Maine 04217. The contestants need for help should be explained in a brief covering note. The closing date is May, 1980. Entries postmarked later than May 1 cannot be considered.

The winner will be notified early in June and will receive a certificate of award at graduation. The \$200 prize will be paid to the school or college designated by the winner at such time as the winner enters that school or college.

It has been real frosty mornings but warms up through the day which is some help on the fuel problems.

We have not got snow enough to cover the grass.

ADULT EDUCATION CLASSES IN PHYSICAL ACTIVITY/FITNESS ARE STARTING FEB. 25

S. A. D. 44's Adult and Community Education Program has a number of Winter/Spring classes starting the week of Feb. 25 in the area of physical activity and fitness.

Disco dancing is a new offering this term, taught by Catherine Darcy of Bethel. This provides exercise as well as instruction in the current dance form. The class will be held at Telstar on Mondays and it is not necessary to come with a partner, just come prepared for fun and the chance to learn something new.

George Guinness will teach Beginning Korean Karate also on Mondays at Telstar. This course will stress classic techniques for fitness and self-defense.

The active Sports class which will meet on Wednesday's at the Telstar Gym will be instructed this spring by Outward Bound's Bethel director, Jeff Parsons. Featuring a familiar array of active gymnasium sports for both men and women, this spring session should see a possible introduction of some English sports by Britisher Parsons. The success of this class depends on a group of 12-20 people with plenty of enthusiasm—so come on out and bring friends.

Barbara Lucas, who has recently returned to Bethel after many years as a Physical Education teacher in Aroostook County, will conduct a morning Exercise class at the Bethel Savings Bank on Thursday mornings.

Linda Blake of Bethel will offer the ever-popular Yoga exercise class at the Telstar Library on Thursday evenings. This non-strenuous form of relaxation and exercise has been beneficial to past adult education students of all ages.

While it is not a requirement, the S. A. 44 Adult Education program urges anyone who has not been physically active to get a physical check-up, or doctor's okay before undertaking a program of fitness.

Registration for these and other Adult Education classes may be made by phoning 824-2136, ext. 25 before Feb. 15 or after Feb. 25, or by mail.

WEST BETHEL Children's Center

This is the last full week of school before the Head Start vacation. Lots of neat things are going on. The children are enjoying the block area, housekeeping area, the puppet area, the table toys, the waterable, painting and the magic circle. They can also decorate and cut out snakes. Magic markers offer children a good opportunity to be creative and they love drawing with them every day.

Needless to say everyone is still enjoying the famous giving tree. Some of the children made red valentine hearts with white lace leaves surrounding the hearts last week and there's a child's name on each.

Plans are to visit the Bethel Library Thursday morning, Feb. 14 with half of the children and Thursday morning, Feb. 28, with the other half of the children for story hour.

The children are exchanging valentine cards during music circle, Thursday, Feb. 14.

The Center will be closed Feb. 18 for Washington's Birthday and the rest of the week for Head Start. The Center will be open Feb. 19 through Feb. 22 for Day Care.

Lorraine Redman is now working at the Center as a teacher. Special (absolutely fun loving) Star of the Week is Scott Walker.

"AUNTIE MAME" AT GOULD

continued from Page One

She is saved from this fate by a gallant Southerner who transports her to fox-hunting Virginia, with highly comic consequences, marries her, travels to Egypt and Switzerland where he conveniently falls of an Alp and leaves her very wealthy once more. In the meantime, her little nephew is growing to be a big nephew and she has some further outlandish adventures in trying to regulate his love life, his marriage, and eventually his progeny.

The whole play is galvanized by the volatile Auntie Mame, but there are in the play a number of other vivid characters—close to 50 in all, one of the biggest casts of any non-musical comedy of recent times.

Among the leading actors who will support Miss Stowell will be Scott Paine as Auntie Mame's nephew in boyhood and Robbie Peola as that nephew in adulthood; Robin Dayton (Vera Charles) as Mame's actress friend; Michael Brown (Beauregard Burnside) as her good-natured Southern husband; Kathy Hordubay (Gloria Upson) as the nephew's nitwit fiancée; Danine Saviole (Sally McDougall) as the disagreeable Dixie belle; Beth deFrees (Agnes Gooch) as Mame's overwhelmingly pregnant secretary; and Tony Hanson (Brian O'Bannon) as an oversexed, under-talented writing man. The play is being directed by Carol Fiske, and its numerous, far-ranging settings are to be executed by Frank Fiske.

The play will begin at 8 p. m. in Gould's Bingham Hall Auditorium and the public is cordially invited.
